The State's proof would then show that at approximately 4:00 P.M., the Defendant appeared at the York Arms Company which is located one mile north of this rooming house, one-half mile, excuse me, one-half mile north of the rooming house on Main Street here in Memphis; that at that time he purchased from Mr. Ralph Carpenter the binoculars, Bushnell binoculars, that have heretofore been shown in evidence. They were in a case. That case was likewise shown in evidence in a box on which the price was recorded of the binoculars. They were placed in a sack by Mr. Carpenter after collecting some $41.55, including tax, from the Defendant.
